Senior Pastor

December 24, 2013

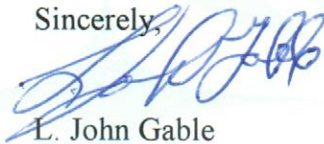

I am writing a letter of support and encouragement on behalf of the Session of Tabernacle Presbyterian Church for the efforts being made to restore and re-enliven the old Beth-El Temple at 34th and Ruckle Streets in Indianapolis.

We are grateful for the work and vision of the Indiana Landmarks, the Mapleton – Fall Creek Community Development Corporation, and the Temple Heritage Center members to reclaim the identity and purpose of that once great facility.

As a long time congregation in the Mapleton-Fall Creek community we are deeply committed to the health and well-being of our neighbors and our neighborhood. As one of the congregations that remained in place in era when perhaps it might have been easier to leave we are grateful for any who are willing to recommit themselves to the vitality of this community with vision, energy and resources, both physical and spiritual.

We commend the vision and efforts being put toward the Beth-El Temple project and will lend our on-going assistance and encouragement as the opportunity arises.

Sincerely,

L. John Gable
Senior Pastor
