Mr. Isaiah Kuperstein

Re: Temple Heritage Center

Dear Isaiah,

I am pleased to let you know that at the last Board of Directors meeting of the Jewish Federation of Greater Indianapolis on December 18, 2013, the Board unanimously approved to endorse the efforts undertaken by Indiana Landmarks, Mapleton Fall Creek Development Corporation and the Temple Heritage Center. I am pleased to share with you the resolution that you may share with all concerned parties:

The Jewish Federation of Greater Indianapolis Board of Directors endorses the efforts undertaken by Indiana Landmarks, Mapleton Fall Creek Development Corporation and the Temple Heritage Center to preserve and stabilize the old Beth-El temple at 34th and Ruckle Streets as an Indiana landmark and functional community facility. We look favorably upon this unique opportunity for this historical site to become an asset for interfaith and cultural engagement in a reenergized neighborhood that serves the vitality of our religiously and ethnically diverse city.

We look forward to your keeping us informed about the progress of this project.

Sincerely,

Paul Kraft
President, Jewish Federation of Greater Indianapolis
